

What is a Small Business - VSQG Clean Sweep?

It is an opportunity for Very Small Quantity Generators (VSQGs) such as small businesses to dispose of unwanted, unused, damaged, and/or banned hazardous chemicals (especially pesticides).

Small Business (VSQG) Participation

The definition of a Very Small Quantity Generator (VSQG) is a business that generates less than 220 lbs. per month and stores less than 2,205 lbs. of hazardous waste. If you are a VSQG and would like to dispose of your hazardous materials at a reduced cost...**fill out the VSQG Chemical Inventory Form** (*found on the attached page*) and submit to Veolia to obtain a quote. For more information call 262.335.4800 or visit the Washington County website: washcowisconsin.gov – [search for Clean Sweep](#)

Small businesses that meet pesticide licensing categories regulated by DATCP are encouraged to participate.

What Is The Cost?

Businesses must work directly with Veolia Environmental Service to determine final costs of disposal.

Unaccepted Waste:

1. Latex Paint
2. Radioactives (including smoke alarms)
3. Infectious and biological wastes
4. Explosives (including detonators and blasting caps)

We will accept most unknown chemicals which are often of unidentified origin.

Very Small Quantity Generator (VSQG) Collection accepted by appointment ONLY.

THIS FACILITY IS OPEN
YEAR ROUND.

Pre-registration, Appointment and disposal costs are required.
