Public Outreach Comments

The Washington County Planning and Parks Department held a public informational meeting at the Public Agency Center on January 14, 2020 to acquaint public officials and interested citizens with the key recommendations of the Plan and to receive comments on and answer questions pertaining to the Plan. There were twelve attendants of the public informational meeting. Public comment on the Draft County Park and Open Space Plan included positive feedback on upgrades to the planned park amenities and continued support of the recommendations outlined in the County Bikeway and Trail Network Plan.

In addition to the public informational meeting, a request for public comment was made through social media prior to the Washington County Public Works Committee meeting to review the Plan. All public comments were provided to the Committee as part of their Plan review. The minutes from the Public Works Committee are included in Appendix E. There were no public comments received.
